The mission of Colonial Behavioral Health, the local Community Services Board, is to facilitate opportunities for recovery, resiliency and wellness to individuals and families affected by mental illness, intellectual disabilities and substance use disorders. Through an array of strategies and collaborative partnerships with local and regional providers, CBH will demonstrate a commitment to quality assessment, prevention, treatment and habilitation through best practice methodology for the citizens of James City County, City of Poquoson, City of Williamsburg and York County.

Our staff work to provide community integration services to people of all ages in partnership with individuals receiving services, their families, community organizations, elected officials and many stakeholders.

Colonial Behavioral Health accepts most forms of insurance including Medicaid and Medicare.

Billable services are licensed by the Virginia Department of Behavioral Health and Developmental Services.
