

Admission and Referral

For admission and referrals, please contact the Central Access Screener at 757-220-3200 between 8 a.m. and 5 p.m.

Staffing and Licensing

All clinical services are provided by professional staff including licensed therapists and board certified psychiatrists. Programs are licensed through the Virginia Department of Behavioral Health and Developmental Services.

Fees

Services are provided on a fee for service basis. Most insurance plans and HMOs are accepted, including Medicaid and Medicare. Persons without insurance coverage are charged according to ability to pay, based on income and dependents.

Wellness, Support & Recovery Services

Colonial
Behavioral Health

Mission Statement

The mission of Colonial Behavioral Health, the local Community Services Board, is to facilitate opportunities for recovery, resiliency and wellness to individuals and families affected by mental illness, intellectual disabilities and substance use disorders. Through an array of strategies and collaborative partnerships with local and regional providers, CBH will demonstrate a commitment to quality assessment, prevention, treatment and habilitation through best practice methodology for the citizens of James City County, City of Poquoson, City of Williamsburg and York County.

Outpatient Counseling Services

Service Overview

Colonial Behavioral Health provides a continuum of care in counseling services to children, adolescents and adults through individual, group and/or family therapy.

Our services are:

- Person centered
- Outcome driven
- Evidence based

Regular, ongoing feedback is obtained regarding the effectiveness and fit of the treatment. If a particular approach is not resulting in any positive change, or is not a good fit then other treatment approaches or options are sought.
