The mission of Colonial Behavioral Health, the local Community Services Board, is to facilitate opportunities for recovery, resiliency and wellness to individuals and families affected by mental illness, developmental disabilities and substance use disorders.

Through an array of strategies and collaborative partnerships with local and regional providers, CBH will demonstrate a commitment to quality assessment, prevention, treatment and habilitation through best practice methodology for the citizens of James City County, City of Poquoson, City of Williamsburg and York County.

Colonial Behavioral Health provides a variety of services, including:

- Assertive Community Treatment (ACT)
- Case Management
- Child & Adolescent Services
- DD Day Support Services
- DD Residential Services
- Emergency Services
- Intensive Outpatient Program (IOP)
- Medication-Assisted Treatment (MAT)
- Mental Health Skill-Building Services
- Outpatient Counseling
- Peer Recovery Services
- Permanent Supportive Housing
- Prevention Services
- Psychiatric Services
- Psychosocial Rehabilitation Services
- Substance Use Disorder Services

Our staff works to provide community integration services to people of all ages in partnership with individuals receiving services, their families, community organizations, elected officials and many stakeholders.

Services are provided on a fee-for service basis. Most insurance plans and HMOs are accepted.

Persons without insurance coverage are charged according to ability to pay, based on income and dependents.

Billable services are licensed by the Virginia Department of Behavioral Health and Developmental Services.
